August 11, 2017

Dear Friend,

Therapy Center of Philadelphia (TCP) has provided affordable mental health care to underserved and underinsured members of the Philadelphia community for the past 45 years. Today, TCP remains the sole place in Philadelphia for low-income women and members of the transgender community to seek quality and affordable therapy services. **TCP helps individuals carrying heavy mental health burdens heal emotionally and avoid slipping into poverty.** TCP's 23 therapists serve more than 350 clients a year who struggle with trauma, depression, anxiety, and many other issues. The majority of our programs are made possible through supporters like you. **We are asking you today to show your support for TCP and its critical work by committing to sponsor our annual fundraising event, *Courageous Conversations*. Your sponsorship will enable us to help more clients access life-saving therapy so they may lead fuller lives for themselves, their families, and their communities.** Enclosed is a form describing the sponsorship levels and corresponding benefits.

This year *Courageous Conversations* will be held at **The Ethical Society Building on October 20, 2017.** The unique continuing education format joins together members of Philadelphia's nonprofit, business and clinical communities to discuss current events and the effect on therapy work and mental health.

The spirit of TCP extends beyond our four walls as we are a collective community of activists, clinicians, donors, and clients all working to improve the mental health of those who seek our services. **Please be a part of our mission to help these underserved communities and sponsor the event. By choosing to sponsor our *Courageous Conversations*, you will be recognized on the invitation and event signage, as well as receive complimentary tickets to the event.** To take advantage of this opportunity, **please return the enclosed form by October 6, 2017.**

If you need additional information, please contact our event manager Michelle Freeman at (267) 738-5709 or contact me at ed@therapycenterofphila.org. We look forward to seeing you on October 20th!

Sincerely,

Alison Gerig, LCSW
Executive Director
